

Guide to Dual Credit & Early Admissions

JUMP START

— to College —

WHAT IS DUAL CREDIT ENROLLMENT?

Dual credit is an educational program designed to enable high school students to enroll in college courses and receive both college and high school credits for the same course. Dual Credit Enrollment is a great way for high school students to get a jump start on their college education.

WHAT IS EARLY ADMISSIONS?

Early Admission is for students desiring to take college courses. Early Admission enrollment only earns college credit.

WHAT ARE THE ADVANTAGES?

STUDENT SUCCESS

Students are three times more likely to graduate in four years.

HS ENDORSEMENTS

Aligns with high school endorsements for easy transition

COST

Enrollment at VC is much less expensive than classes at 4-year universities.

TRANSFERABILITY

Classes are fully transferable to Texas public colleges & universities.

CLOSE TO HOME

Living at home allows students to experience college life while still in a familiar high school setting.

ACCESS & RESOURCES

Access to academic and career planning, library resources, computer labs, and all support services

What You Need to Know

The TSI Assessment 2.0 is the test that you will take if you are NonExempt in reading, writing, and/or mathematics. The results of this test will determine:

- The areas of academic deficiencies that need to be addressed in academic foundations classes.
- Your placement in the specific developmental education classes that will best meet your instructional needs.

What to Expect

- Study Resource: <https://studentportal.accuplacer.org>
- Two academic areas: Mathematics and English language arts and reading (ELAR)

Dual Credit & Early Admission Agreement

- I understand that the student must complete an Apply Texas application and meet with their high school counselor to determine dual credit award prior to the registration process.
- I understand I will be enrolling in a college credit course(s) at Victoria College and will be receiving a letter grade that will be recorded on my permanent college transcript. A numerical grade may appear on the high school transcript for dual credit courses; conversion and weight of grades is the responsibility of the respective high school.
- I understand that as a minor, I may come into contact with adult content, controversial issues and opinions, and differing belief practices.
- I understand that Victoria College has no discretion to determine if any course(s) that I take will count as dual credit on my high school transcripts.
- I also understand that it is my responsibility to know what my tuition and fees total for the semester in which I am enrolled and pay by the deadlines set by Victoria College. It is my responsibility to be able to locate these payment deadlines. If I belong to a school district that pays for my tuition, fees, and/or books, that it is that school district's discretion as to the terms and conditions of what they will or will not award funds for, and in return it is my responsibility to make sure that those funds are applied to my account.
- If I elect to pay by a payment plan, I understand that the payment plan fee of \$20.00 is non-refundable. I understand that my initial payment method must remain the same for the second and third payment as per the payment plan agreement made with the Payments Office.
- I understand that if I wish to withdraw from or drop any of my college course(s) it is my responsibility to first discuss this matter with my parent(s) and high school counselor. In order to officially drop a course I may do so through my Pirate Portal. I also understand that I may or may not receive a refund based on the timeframe I decide to withdraw from my college course(s). It is my responsibility to be able to locate these refund periods.
- I understand that by enrolling at Victoria College, I am responsible for knowing, understanding, and following all policies, rules, and regulations at Victoria College in addition to following the rules and regulations set forth by the high school.
- I understand that all core curriculum courses are required by law to transfer to any public institution in the state of Texas; and it is my responsibility to ensure that any coursework attempted at Victoria College is following an appropriate degree plan of the institution that a degree is sought after.
- I understand that I and one parent/guardian are expected to attend Dual Enrollment Information Session prior to the first semester of enrollment.
- I understand my high school counselor(s) and principal(s) have legal, academic privilege to my Victoria College records.
- I understand that I may place out of a course using AP, CLEP, SAT, and/ or ACT scores so long as I have met the specified testing standard for that particular course. To have a credit by exam recognized, I understand that I must complete a credit by exam form and submit a copy of my scores to the VC Admissions & Records Office.

FREQUENTLY ASKED QUESTIONS

1. Will my dual credit classes transfer to other institutions?

Course completed at Victoria College are easily transferable to any public institution in the state of Texas. As far as course applicability, that may be dependent on the institution and the degree plan that the student wishes to pursue.

2. Are my books and materials included in tuition and fees?

No, but some classes may have eBooks attached to them. If there are no eBooks the students will need to purchase the books separately. Textbooks can be purchased at the VC Bookstore, and eBooks can be accessed through the canvas shell.

3. Do I need a parking permit when parking on the Victoria College campus?

No, students are not required to have a parking permit. Students are free to park in any spot unless marked visitor or reserved.

4. Can dual credit students apply for financial aid?

While dual credit students cannot qualify for federal funding they may qualify for TPEG by completing their FAFSA. In addition, there are scholarship opportunities available.

Can I place out of a course using AP, CLEP, SAT, and/ or ACT scores?

Yes, as long as the student meets the specified testing standard for that particular course. To view a list of VC approved credit by exam exemptions, please visit VictoriaCollege.edu > Getting Started > Catalog > 2023-2024 Victoria College Catalog link (page 33). Need to get a credit recognized? Submit a Credit by Exam Form, with a copy of your scores, to the VC Admissions & Records Office.

5. Will I be required to take any exams on the VC campus if I am in an online class?

Some instructors may require students to take their exams and/or final exam at the Victoria College Testing Center. If so, that will be specified in the instructor's syllabus.

6. Are dual credit courses pass or fail, and do they go on my high school transcript?

Grades received when taking a college course for dual credit are reported in two ways. Student receives a letter grade on their college transcript and a numeric grade is reported to the high schools for midterms and final grades.

7. Are accommodations available for dual credit students?

Victoria College offers equal access to educational opportunities for all individuals. Disability support services are provided to qualified students with documented disabilities. Please contact Karen Friedel for more information on eligibility requirements at Karen.Friedel@VictoriaCollege.edu or (361) 572-6411.
