

# WHERE DO I START?

## QUESTIONS FOR CAREER EXPLORATION

Right now, you may have no idea what you want to do, you might be told what you should do, or you may have a vague idea of what you want to do.

**These are good questions to ask yourself while you navigate this life decision.**

- What are my values?
- What is the most important thing to me in a career?
- Does the profession I am interested in require a degree, certificate, or training?
- How long do I want to be in college?
- How much education does the profession I am interested in require?
- What college has the right program?
- How much money does this profession make in a year?
- Am I willing to relocate for this profession?
- Does this job exist?
- Have I looked at jobs online that I can get with either a degree, certificate, or training?
- Will the program allow me to work while I am in college?
- Is this what I want to do, or do I feel pressured to do this?

*"It does not matter how slowly you go, as long as you do not stop"- Confucius*
