The VC Testing Center is now offering remote TSI Assessment testing.

Victoria College is currently offering two options for remote testing for the TSI Assessment. Cell phones and tablets are not allowed for remote TSI Assessment testing. If you do not have the computer hardware to test remotely, in-person testing will be available again once Victoria College reopens to the public.

Option 1: Remote TSI Assessment testing with VC’s Testing Center proctors is available using web conferencing software (WebEx).

- Test sessions are available at 9 a.m. and 1 p.m. Monday through Friday.
- You must have a desktop or laptop computer with a webcam and microphone to test remotely.
- Each test session will be for a single section of the TSI Assessment. If multiple sections are needed, VC’s Testing Center proctors will help you schedule your next appointment at the end of your exam.
- Please register only once even if multiple sections are needed in order to avoid being charged multiple times for the exam.
- The cost to take the TSI Assessment is $12. No additional charges will be incurred if you choose this remote testing option.
- Schedule your TSI Assessment with VC’s Testing Center proctors via WebEx using the Appointment Plus scheduling system. Be sure to indicate which sections of the TSI Assessment you need to take.

Option 2: Remote TSI Assessment testing through Examity, a secure online proctoring service, is available ONLY to students planning to attend Victoria College in Summer or Fall 2020.

- Tests can be proctored 24 hours a day, 7 days a week.
- Examity’s $20 proctoring fee will be waived for students enrolling at VC during the summer or Fall 2020.
- View Examity’s computer requirements before requesting to take your TSI Assessment using Examity.
- If you need to take multiple sections of the TSI Assessment, please be aware that Examity does not allow for breaks during the exam.
- To request to take your TSI Assessment using Examity, use the Appointment Plus scheduling system to create an account and pay under the test section “Examity.” Please note: This DOES NOT schedule your exam.
- Once VC’s Testing Center receives your payment and personal information, your request will be processed and you will receive voucher information from Accuplacer along with instructions on how to proceed on the Examity site. You can then schedule the date and time that works best for you through the Examity system. Learn more about how to use Examity.
