RE: Presidential Search Progress Report #2

On behalf of Victoria College's Board of Trustees, I would like to let you know that the presidential search process is off to a strong start. I take this opportunity to thank everyone who participated in the online survey, as well as the public forums in which participants had an opportunity to discuss the qualities and qualifications the College is seeking in a new president. Your feedback was insightful, and your contributions informed the development of the Presidential Profile.

At yesterday's board meeting, the trustees reviewed and approved the final Presidential Profile. We encourage everyone to go to the presidential search webpage and view information about the search process including the Presidential Profile, timeline, all progress reports, and information on how to apply: <http://www.victoriacollege.edu/Explore/AboutVC/PresidentialSearch>

**The recruitment process is underway and the target date for receiving applications is:  
March 13, 2020**

It is our expectation that finalists will visit the College the week of April 27 and all finalists will participate in open forums. We encourage your participation and detailed information will be forthcoming.
