E-Book Course Fee

VC has an institutional digital course materials program in which selected courses are designated “e-book courses” by the faculty. For each designated e-book course, the college charges a mandatory course fee. All students who enroll in a course that requires a college e-book will be charged a course fee which will appear in their overall tuition and fees. Students enrolled in designated e-book courses may access required course materials within the college’s online Learning Management System (i.e., Canvas).
