While our department name has changed to Career & Technical Education - Continuing Education, our commitment to delivering top-notch training remains unchanged. Powered by a dream and fueled with knowledge, our Spring 2025 schedule offers short-term courses that lead to nationally recognized certificates or state credentials in high-demand fields. With programs running between 4 to 16 weeks, our training is both affordable and convenient. Taught by expert instructors, we offer opportunities for anyone looking to switch careers, build new skills, or explore a new interest. Your future starts here—enroll today!

CAREER PATHWAYS

GENERAL STUDIES & TRANSFER

WE'VE GOT YOUR BACK

College and life can be challenging.
Need help? *Let's connect.*

The following support services are available in
Advising & Counseling Services, Room 105.

Career Counseling

VC advisors coordinate with the Texas Workforce Commission to provide career planning and job search assistance.

Childcare Assistance

VC partners with the YMCA and local childcare providers to offer students discounted childcare.

Counseling

VC provides a licensed counselor to help students who seek anxiety, grief, and depression counseling.

Disability Services

VC provides disability support services to qualified students with documented disabilities.

Veterans Services

VC provides assistance to students in utilizing veteran education benefits.

JP's Market

Assistance is available for students who are in need of food and clothing.

- Main Campus
Advising & Counseling Services
Student Services Building, Room 105
- Emerging Technology Complex
- Gonzales Center

Personal Wellbeing Support

VC partners with Mid-Coast Family Services to provide a variety of supports to victims of sexual assault and domestic abuse.

Counselors from Mid-Coast Family Services are available on Tuesdays from 9 a.m.-3 p.m.

Transportation

Assistance may be available for students who are in need of help with transportation.

FAQS

Listed are common frequently asked questions.

After registering, when do I have to pay?

Students must make payment arrangements by noon on the registration/payment deadline listed in the CTE-CE schedule to remain enrolled. If students do not coordinate full payment by the deadline, they will be dropped from the class. Registration is not complete until your classes have been paid in full or you have initiated a payment plan. Financial aid and scholarships do not cover 100% of tuition. If you have received a financial aid or scholarship award notification, it will not be applied to your account until you have contacted our office AND paid any remaining balance.

What is your cancellation policy?

Victoria College reserves the right to cancel classes and change class times or instructors as needed without notice.

In the event of inclement weather, class may be cancelled.

Students will be notified of cancellations via the phone number listed on their Pirate Portal account and/or their VC email address.

What is the Refund Policy?

No refunds will be given after the course start date.

A 100% refund is given if a withdrawal request is received before the class begins, or if the class is cancelled by the College. No refund is issued after the class begins. Law Enforcement Academy students will receive an 80% refund if the withdrawal is completed during the first five calendar days following the first class meeting.

Direct deposit refunds are made to students who have designated a checking or savings account through their student portal. If no direct deposit profile has been established, a check is mailed to the student's mailing address of record on file with the registrar.

What special accommodations are available?

Any participants with disabilities who need special accommodations should call to request those accommodations as soon as possible, but no later than one week prior to the beginning of class. For more information, please call (361) 572-6405.

Is tobacco allowed at your training locations?

Tobacco use and the use of smokeless devices like electronic cigarettes is prohibited in all College facilities, grounds, and parking lots.

Enrolled? Yes.
Don't forget
your Student ID.

GET YOUR STUDENT ID TODAY.
Stop by the Payments Office located
in the Students Services Building.
Bring a valid ID to get your Student ID.

A STUDENT ID is required for all Student Life activities.
Don't miss out on free food, games, and giveaways!

Thank you to VC Foundation and the Alcoa Foundation for funding our new trailer and its eye-catching wrap.

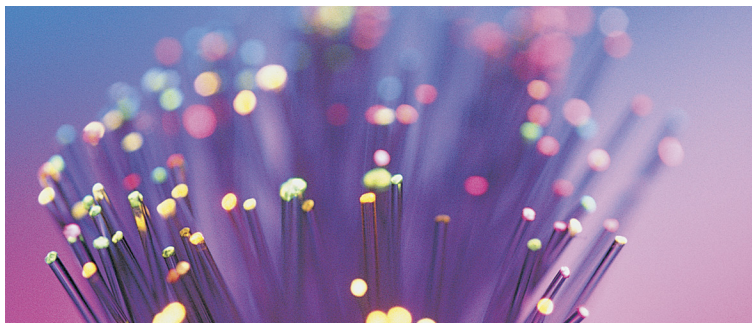

CTE-CE plans to bring this brand-new trailer to community and school events, where we'll be showcasing the incredible opportunities in industrial trades available at VC. This is just one more way we're committed to inspiring the next generation of skilled professionals.

Thank you, VC Foundation, for your continued support and generosity on behalf of our students!

BUSINESS & TECHNOLOGY

The schedule is subject to change including cancellation/postponement of classes. Visit VictoriaCollege.edu/CTECE for current information.

Fiber Optics Technician-\$1,100

CSIR 1052

Prerequisite: Basic working knowledge of computers, the ability to see and identify small items, and the ability to speak the English language.

This introductory fiber optics technician course, which is offered in partnership with BDI DataLynk, is designed for anyone interested in becoming a Certified Fiber Optic Technician. The course combines theory and 85% hands-on activities to prepare the student to take the CFOT (Certified Fiber Optic Technician) exam that is sanctioned by the FOA (Fiber Optics Association). Students will learn how to identify fiber types; recognize various connectors used in fiber installation; and install, terminate, splice, and properly test installed fiber cable to existing standards. Certification exams will be administered and graded during the class. Students must pass both the written and hands-on exams to successfully pass this course. All course materials, certification exam costs, and 1-year membership to the FOA are included. 20 contact hours

VC Emerging Technology Complex

Conference and Education Center, Room 306

Fiber Optics Specialist-\$2,000

CSIR 1091

Corequisite: Registration in Fiber Optic Technician (CSIR 1052); the ability to see, manipulate, and hold small tools and test equipment; and ability to read and speak the English language.

This comprehensive fiber optics course, which is offered in partnership with BDI DataLynk, explains the variety of testing standards, equipment, and technological approaches used in fiber network testing and splicing and how to choose among them. This course combines theory and 85% hands-on activities to prepare the student to take two certification exams, including the CFOS/T (Certified Fiber Optics Testing & Maintenance Specialist), and CFOS/S (Certified Fiber Optic Specialist in Splicing) tests that are sanctioned by the FOA (Fiber Optics Association). Students will explore the overall spectrum of testing and maintenance of singlemode fiber optics networks, see demonstrations of various pieces of equipment used in testing and maintenance, and learn fusion and mechanical splicing of either single or multimode fiber optic cables. Certification exams will be administered and graded during the class. Students must pass both the written and hands-on exams to successfully pass this course. All course materials, certification exam costs, and 1-year membership to the FOA are included. 20 contact hours

INDUSTRIAL TRADES

National Center for Construction Education & Research (NCCER)

National Center for Construction Education & Research (NCCER) offers training, assessment, certification, and career development for construction and maintenance craft professionals.

NCCER's industry-recognized credentials provide students and craft professionals with national portability of skills. Victoria College partners with IMSEF, the Industrial Merit Shop Education Foundation, an NCCER Accredited Training Sponsor, NCCER Accredited Assessment Center, and NCCER Authorized Assessment Site, to provide NCCER certification to all students who successfully complete our Core Curriculum, Carpentry, Electrical, HVAC, Millwright, Pipefitting, Plumbing, Power Line Worker, Scaffolding, or Welding training.

Available Options

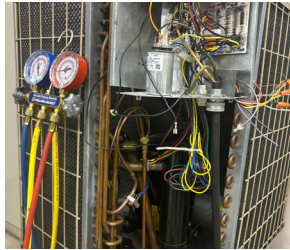

If you like working with your hands, are mechanically inclined, and enjoy designing and building things, consider a career in industrial trades.

Carpentry⁺
\$38,000-\$49,000
16 Weeks

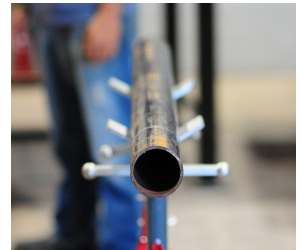

Electrical⁺
\$38,000-\$52,000
16 Weeks:
per level, 4 levels

Heating, Ventilation, Air Conditioning (HVAC)⁺
\$34,000-\$48,000
16 Weeks:
per level, 4 levels

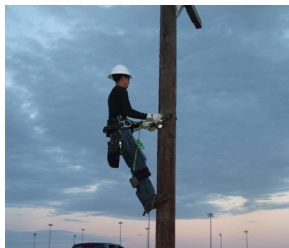

Millwright⁺
\$44,000-\$57,000
12 Weeks:
per level, 5 levels

Pipefitting⁺
\$37,000-\$53,000
12 Weeks:
per level, 4 levels

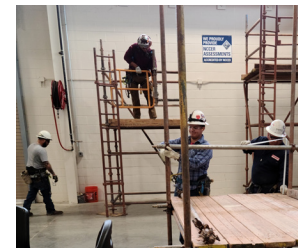

Plumbing⁺
\$37,000-\$53,000
12 Weeks:
per level, 3 levels

Power Line Worker⁺
\$45,000-\$67,000
12 Weeks:
per level, 3 levels

Welding⁺
\$36,000-\$45,000
18 Weeks
to 1 Year

Scaffolding⁺
\$45,000-\$67,000
6-7 Weeks

*SOURCE: Labor Market & Career Information Department, Texas Workforce Commission

(Salaries shown are for the Golden Crescent region except for Millwright and Welding which are the Coastal Bend region.)

* National Center for Construction Education & Research (NCCER) certification is provided at the successful completion of each course.

Students who have not paid in full by the **payment deadline** dates noted in the schedule will be dropped from the class.

Industrial Electrician Certified Plus Performance

Verification-\$400

ELPT CE01

Prerequisite: Successful completion of Knowledge Verification for Industrial Electrician through the Industrial Merit Shop Education

Foundation (IMSEF) To take the written exam for Industrial Electrician Knowledge Verification, contact Shelley Callaway, Director of Education for IMSEF, at (361) 485-6839 or Shelley.Callaway@VictoriaCollege.edu.

NCCER's Certified Plus certification requires both knowledge and performance verification. Participants will be tested on hands-on skills associated with their craft.

Industrial Electrician Certified Plus Performance Verifications will be scheduled on an as needed basis. Please contact (361) 582-2528 for scheduling options.

This course is offered at the VC Emerging Technology Complex, Industrial Training Center, Room 121. Course length will depend on experience level, with a maximum of 4 hours allowable.

Visible Emissions Training

Victoria College hosts Visible Emissions Observation Evaluation Training which includes Methods 9, 22, 203A, 203B, and 203C in the spring and fall.

Initial certifications and recertifications available.

Contact Nicole Uresti at (361) 582-2590 for details, including costs and upcoming dates.

OWN A SMALL BUSINESS?

You could get free training for your employees!

Through the Texas Workforce Commission's Skills for Small Business Program, small businesses (under 100 employees) can apply for funding to cover employee training at Victoria College. Whether you're training new hires or upskilling current staff, this program can help.

For details, contact Nicole Uresti at (361) 582-2590 or Nicole.Uresti@VictoriaCollege.edu.

Electrical Level 1

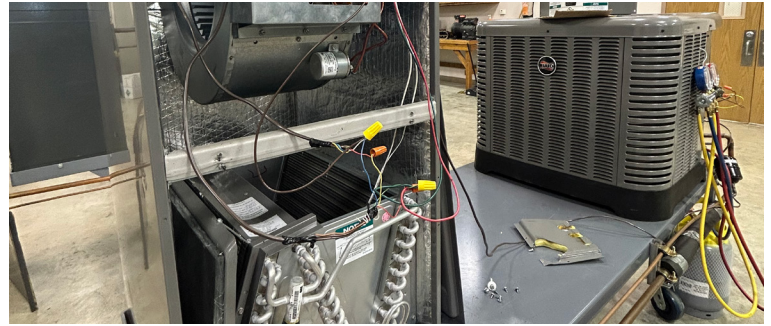

"Instructor was great at sharing personal experiences to better relate to material."

TRUCK DRIVING

Truck Driving - \$4,750 (Texas Specific)

Prerequisites:

- **Valid Texas Class C Driver License**
- **Valid Texas Class A Commercial Learner Permit (CLP) with no outstanding unpaid citations**
- **Medical examiner's certificate and medical report**
- **Be able to pass a DOT physical, and drug & alcohol assessment (coordinated by VC)**

The Truck Driving course prepares persons for entry-level employment in the industry. This course provides classroom instruction with emphasis on safety, rules, regulations, and techniques. Behind-the-wheel driving range activities, public street and highway driving are also included. Opportunities are available for students to meet with recruiters from the trucking industry. After completing 200 contact hours and earning the ELDT certification, students will take the Commercial Driver License driving examination at the Department of Public Safety as a post-course requirement.

View the Truck Driving requirements, upcoming dates, registration information, FAQ's, and useful links at VictoriaCollege.edu/TruckDriving.

MOTORCYCLE SAFETY

Basic Motorcycle Safety - \$250

(includes cost of MSF ePackage 1 eCourse)

MBRC CE01

The Motorcycle Basic RiderCourse is designed for both the beginner rider and the experienced rider to sharpen existing skills and learn new ones. Special emphasis is placed on mastering full control of the motorcycle. The course also covers advanced physical and mental skills needed to ride the motorcycle safely, and defensive street riding strategies. Upon successful completion of the course, students are issued an MSB-8 certificate which should satisfy the Texas Department of Public Safety's written and driving exams for those 18 and over. Students less than 18 years of age will still need to take the TX DPS driving exam. Motorcycle is provided. Prior to class, students are required to complete the MSF online ePackage 1 eCourse. Cost of the eCourse is included in tuition. Classes fill quickly; early registration is encouraged. 12 contact hours
