Today's presentation is being made with materials supplied by the Motorcycle Safety Foundation and the Texas Department of Public Safety as a public service. This does not imply any endorsement by MSF or the DPS of the sponsors or any other sponsors, supporting organizations, equipment, motorcycles or other materials involved in the presentation of a RiderCourse. Our aim is to expose you to ways to ride more safely. While we cannot and will not assume responsibility for the safe operation of your motorcycle, it is our hope that by presenting responsible viewpoints on safety we will expose riders and the general public to proper and prudent motorcycle operation. As a participant, you are responsible for your own learning - we cannot learn for you. **We're here to assist your learning, we cannot guarantee it or put it to use.**

I recognize and understand the risk involved in learning to ride, and riding a motorcycle, I acknowledge that risk by signing the Motorcycle Safety Course Waiver & Indemnification Form. I understand that my performance will be evaluated and that I must satisfactorily complete each training phase before advancing to the next level. Should a RiderCoach determine that I am a danger to my classmates, or myself, I will not be allowed to continue the course. I understand that this decision is for my safety and the safety of others and I will abide by the decision of the RiderCoach. I acknowledge that if my lack of progress impedes or interferes with the class that I may not be allowed to continue the class. To receive the Motorcycle Operator Training Course Completion Card, I must demonstrate competent motorcycle operation; if applicable, by attaining acceptable scores on the skill evaluation and the knowledge test. Failure of the knowledge test or the on-cycle evaluation or not satisfactorily completing a phase of the course is considered a failure for the entire course. **Refunds for persons failing or being dismissed from the course are at the discretion of the sponsor.**

**Check All That Apply**

- I am **NOT** under the care of a physician, or taking medication, either of which may affect my ability to ride during this course.
- I am under the care of a physician, but I have made the decision that I am able to ride. I accept full responsibility for this decision.
- I am taking medication, but I have made the decision that I am able to ride. I accept full responsibility for this decision.

**NOTE TO THE STUDENT:** If you have physical limitations or are on medication, please be aware that the course is strenuous and physically demanding. If you have a heart condition, are prone to dizziness, or have a physical or mental condition which may adversely affect your performance, we advise against participating in the class. You are responsible for your own decision to participate. If your condition adversely affects your performance, our RiderCoaches will ask you to leave the class.

All students are required to be on time for each class session. All students are expected to participate fully in each and every exercise and to follow the directions of the RiderCoach. ### MSF Basic eCourse

The Motorcycle Safety Foundation Basic eCourse is a highly interactive online program that provides riders of all skill levels with the basics of motorcycling. With integrated graphics, photos and video to help better illustrate the lessons, the \$19.99 program allows you to control the pace of your learning.

The Basic eCourse can help you determine whether motorcycling is actually a good personal fit. Although it's a key component of the Basic RiderCourse, it can be completed as an introductory stand-alone program without enrolling in a hands-on course.

*\*\*The MSF eCourses are NOT accepted as a license waiver by any state department of motor vehicles, or as a license to ride a motorcycle or a learner's permit.*
