

INDUSTRIAL TRADES

Millwright

Victoria College partners with IMSEF, the Industrial Merit Shop Education Foundation, an NCCER Accredited Training Sponsor, NCCER Accredited Assessment Center, and NCCER Authorized Assessment Site, to provide NCCER certification to all students who successfully complete our Core Curriculum, Carpentry, Electrical, HVACR, Millwright, Pipefitting, Plumbing, Power Line Worker, Scaffolding, or Welding training. NCCER credentials ensure that craft professionals have nationally portable skills.

Millwright Certified Performance Verification-\$800 MCHN 2009

Prerequisite: Successful completion of Knowledge Verification for Millwright through the industrial Merit Shop Education Foundation (IMSEF)

To take the written exam for Millwright Knowledge Verification, contact Shelley Callaway, Director of Education for IMSEF, at (361) 485-6839 or Shelley.Callaway@VictoriaCollege.edu.

Formerly known as the "Certified Plus" credential, the "Certified" credential establishes that an individual has reached the journey-level minimum competency for knowledge and performance. Successful certification requires you to pass the Knowledge Verified and Performance Verification assessments which results in you receiving wallet cards, a transcript, and a certificate.

Millwright Certified Plus Performance Verifications will be scheduled on an as needed basis. Please contact (361) 582-2528 for scheduling options.

This course is offered at the [VC Emerging Technology Complex](#), Industrial Training Center, Room 121. Course length will depend on experience level, with a maximum of 10 hours allowable.
