Texas Success Initiative Pre-Assessments 2.0

The Texas Success Initiative Assessment, 2.0 (TSIA2) is the test created by the state of Texas to help determine whether students are ready for freshman-level college courses in Mathematics and English Language Arts and Reading (ELAR).

TSI Rule 4.55(b) requires that all testing sites provide a Pre-Assessment Activity (PAA) for all test takers prior to test administration. The PAA will help you understand the following:
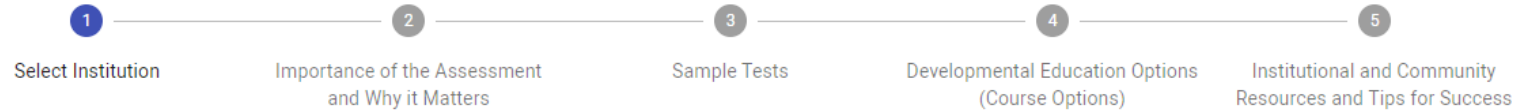

1. Why you are being tested.
2. How the TSIA2 works, including calculator and highlighter tutorials and practice test questions.
3. How test results impact your postsecondary options.
4. Resources available to you.
