Dear Vocational Nursing Program Applicant,

Thank you for your interest in the Vocational Nursing Program. This is a 12-month certificate program. In order to be considered eligible, the applicant must furnish all necessary documentation (as stated below) **by October 1 Noon**. The applicant also must meet admission requirements for Victoria College as stated in the current catalog.

Vocational Nursing Program graduates who have met all of the Associate Degree Nursing (ADN) admission requirements are eligible to apply for summer admission into the ADN Transition Nursing Program following graduation and passing the NCLEX- PN exam.

SPRING 2022 Admission Requirements

- **1. Victoria College Application.** An online application must be completed for admission to Victoria College. For more information, please visit <http://www.victoriacollege.edu/AdmissionsChecklist>. It is the applicant's responsibility to validate with the Admission and Records Office that their Victoria College application has been processed by calling (361) 573-3291 or (877) 843-4369.
- **2. Vocational Nursing Program Application and Licensure Eligibility Questionnaire.** A Vocational Nursing Program Application for VN Admission as well as the Licensure Eligibility Questionnaire (LEQ) must be submitted electronically to the nursing program office. VN application and LEQ can be found by clicking the following link: https://VictoriaCollege.formstack.com/forms/victoria_college_vn_application_2022. Vocational Nursing Program Applications are not retained from year to year so in order to be eligible for admission, a new application must be submitted each year. In addition, the LEQ must be submitted timely in order for your information to be processed with the Board of Nursing for your criminal background check.
- **3. VN Advising Appointment.** Schedule an advising appointment by calling your first choice campus VN Program's Administrative Assistant (See phone numbers above.). An advising appointment must be completed within two weeks of submitting your application to the vocational nursing program. It is mandatory to have an advising appointment with the VN program. This will ensure the understanding of all program requirements and that all requirements are completed in a timely manner.
- **4. Criminal Background Check (CBC).** The information you provide on the Licensure Eligibility Questions (LEQ) form, as noted in item #2, is needed by the VN program to submit to the Board of Nursing (BON) to begin the CBC process. Once your LEQ information is processed by the BON, you should receive an email from IdentoGO providing guidance/requesting for you to complete fingerprinting. Promptly complete the fingerprinting process in order to avoid delay of your CBC. Fingerprinting may not be required of you, if you have previously submitted fingerprints. **Forms received after August 1 may not be cleared through the Board of Nursing (BON) by the VN program deadline. [It can take 4 months or longer for the BON to complete this process.]** Without resolution of all licensure eligibility issues, the applicant is not eligible for admission to the Vocational Nursing Program.

Once a clear CBC result is received from the BON, it is the applicant's responsibility to submit original documentation (blue card or letter) to the first choice campus **and** a copy of the original document to the *CastleBranch* system. For applicants with a declaratory issue, submit the letter indicating Board order. The date on the BON document (blue card or letter) cannot be more than one year old.

Financial Aid Information Form

It is important to consult with a Victoria College Financial Aid counselor prior to enrollment to discuss financial aid options. **Complete this form with appropriate signatures (both applicant and Financial Aid Counselor) and upload to CastleBranch.**

Applicant Name: _____

To aid in your success in the Vocational Nursing (VN) Program, prior to acceptance **and** after registration, it is essential to have financial arrangements planned. All applicants must have a method of payment for the three terms required to complete the Vocational Nursing Certificate Program.

Option A – Payment with Federal Student Aid Funds, to include Direct Loans

As a Vocational Nursing (VN) program applicant, I plan to utilize the Free Application for Federal Student Aid, “FAFSA” and have met with a financial aid counselor at Victoria College to discuss the following items:

1. Financial Aid Status upon being accepted into the Vocational Nursing Program
2. Funds available for the Program to cover the two aid years the program encompasses
3. Disbursement of the funds over the three terms of the Program
4. Issues should I, as a VN student, not complete one of the terms
5. File must be completed and aid awarded prior to the last day to pay or student must make payment arrangements with the Payment Department

Option B – Student Self Pay/Other Outside Sources

I have met with a Financial Aid counselor and will not be utilizing financial aid through Free Application for Federal Student Aid (FAFSA) and/or Direct Loans. I will be able to meet any payment deadlines and down-payment requirements without the assistance of any federal funds through FAFSA and/or Direct Loans. I may change to Option A at any time during the aid year after speaking to a Financial Aid counselor. I understand that it may take 4 to 6 weeks to process my FAFSA. Acceptance into this Program will not entitle me to expedited processing.
