Paramedic

## Admissions Application

2025-26

Thank you for your interest and potential application to the Victoria College Paramedic Program. If you are ready to progress in your career in Emergency Medical Services (EMS), then the Paramedic Program is your answer. As a Paramedic, you will be the first component of the Emergency Medical System, and provide rapid in-field treatment and transport to higher medical providers. You will work in conjunction with EMTs, nurses, physicians, and other members of the health care team. Career options are available in urban and rural settings, primarily in conjunction with fire departments, private ambulances, or other rescue services.

The Paramedic course is an approved Department of State Health Service (DSHS) training program and after completion, the student is then eligible to seek DSHS certification after taking and passing the National Registry of EMT examination.

**All courses are selective admissions which means that you must submit this application and we approve and register you for the course(s).**

**EMS Pharmacology – prerequisite for Paramedic. Must hold EMT certification to be registered.**

**EMS Research – Capstone course for completing Paramedic students seeking AAS degree. Can take as AEMT with permission.**

**Critical Care Paramedic – Capstone course for Paramedic. Must hold Paramedic certification to be registered.**

### **Texas Occupations Code, Chapter 53 Statutory Notification Requirement**

I, \_\_\_\_\_, (print) have received, read, and understand the requirements for entry into Victoria College EMS Program. I understand one of the requirements is a clear criminal history background check. Should I have a criminal conviction or other information is found in violation of the current guidelines or state/local restrictions issued by the applicable licensing authority, I understand that I may be denied a license from the National Registry of EMTs and/or Texas Department of State Health Services. Having been provided this information, as required by Texas Occupations Code, Chapter, 53, notice regarding the consequences of a criminal conviction on eligibility for an occupational license, I wish to apply for entry into the Victoria College EMS Program.
