

Statement of Financial Support

The United States Citizenship and Immigration Services (USCIS) requires international students to submit proof of financial solvency for an I-20 to be issued. The estimated amount required for tuition, fees, and living expenses is \$19,538 U.S. dollars per year. Additional proof of \$3,000 per dependent is required if they are traveling with you.

If you are funded by multiple sponsors, each sponsor needs to provide this form along with a bank statement/letter.

Two original sets of supporting documents should be obtained. Attach one set to this application. Keep the other set to apply for an F-1 visa at the U.S. Embassy or Consulate.

In addition to this completed form, the student applicant and/or parent(s) or sponsor(s) must submit a current bank statement/bank letter or have the official bank complete section 4 of this form.
