# The law governing the Federal Student Aid program is based on the principle that the family is the first source of the student's support.

This application is available to you if:

- 1. You do not meet the definition of an independent student for financial aid purposes as defined by the U.S. Department of Education, <u>and</u>
- 2. You believe that you have a justifiable unusual circumstance that differentiates you from other Victoria College students making it unreasonable to assess your parents' ability to contribute to your educational costs.

The Department of Education emphasizes the need to make dependency overrides only for students with unusual circumstances on a case-by-case basis and to document the unusual circumstances that the financial administrator relied upon in making the override. The Department has identified four conditions that, individually or in combination with one another, <u>do not qualify as "unusual circumstances" and that do not merit a dependency</u> <u>override</u>. Those circumstances are:

- Parents refusing to contribute to the student's education
- Parents unwilling to provide information on the application or for verification
- Parents not claiming the student as a dependent for income tax purposes
- Students demonstrating total financial self-sufficiency.

#### To apply for a dependency change, you must submit the following to the Financial Aid Office:

- 1. A completed "Dependency Change Request Application" (attached).
- 2. A completed "Dependency Change Request Reference Form" (attached) from your parent. If it is absolutely impossible to secure a reference from your parent, you may substitute another close relative (e.g. grandparent, aunt, uncle, etc.). On your application, Section II, document why you were unable to secure a reference form from your parent.
- 3. A completed "Dependency Change Request Reference Form" (attached) from the person with whom you reside. If you live alone, another close relative or friend would be sufficient.
- 4. A completed "Dependency Change Request Reference Form" (attached) from a professional (i.e. pastor, attorney, counselor, teacher, principal, employer, etc.) who is not related to you and is familiar with your unusual circumstance.
- 5. Any additional supporting documentation that you believe will further justify a dependency change.
- 6. You may also be requested to provide additional documentation to support your application (i.e. copies of parents' income tax returns, copies of your income tax returns, etc.). You will be notified if additional documents are required.
- 7. Students approved for a dependency change for the 2024-2025 school year by Victoria College must submit the Request Application form and a signed letter stating the circumstances which had warranted the change are still in effect. The reference forms are not required.
